

# Announcing the 2011 Chesapeake District

## Pinewood Derby

**SUNDAY, April 3, 2011**

**Eastpoint Mall**

**Baltimore, MD 21224**

### **Registration and Cost**

The top **three** finishers from each 2010-2011 rank (Tiger through 2<sup>nd</sup> year Webelos) during their 2011 Pack Pinewood Derbies that are registered with the Chesapeake District are invited to the 2011 Chesapeake District Pinewood Derby. **To make sure the 2011 Pinewood Derby is successful, please register EARLY for this event. We suggest registering the top three Scouts in each rank as soon as your Pack Pinewood Derby is completed!!!**

### **Register Early!**

Race Registrations should be postmarked to Dave Oshman, 914 Frog Mortar Road, Middle River, MD 21220-4304 by 3/30/2011. They can be hand delivered at the District Roundtable through March 2011. The registration cost is \$6.00 for each Cub Scout (up to fifteen per Pack) entered. Checks should be made payable to BAC-BSA. See website for Pack registration form.

The Pack's "Race Day Cubmaster" may make substitutions for absent registered participants at no cost but the substitute must race their own car.

**Late Registration:** Due to the manner in which participants are registered in the software, Race Registrations the day of the event will cost \$12.00 per Cub Scout entered in the competitions.

### **Location**

We have secured inside of Eastpoint Mall in front of Value City for our District Pinewood Derby. Please show up on time and keep in mind that parking may be difficult at a shopping mall.

### **Schedule**

Cub Scouts need only be there during registration time and during their races except for the Top Three winners of each rank. After each rank completes racing, trophies will be given out for the fastest three cars. Once the races from their respective rank are over, Cubs can retrieve their car unless they have placed in the Top Three in their rank, in which case the cars stay in "impound" until the Grand Finals are over. Each rank Top Three winners need to be present for the Grand Finals at 3:00PM.

To make sure the event is fair, the Chesapeake District Pinewood Derby Rules will be strictly enforced during inspection. Please make sure all entrants are provided a copy of the Chesapeake District Pinewood Derby Rules. Since local Pack Rules may be different from the District rules, Cubs are permitted to modify their cars after Pack races to ensure they conform to District Rules. We don't want to disqualify any entries because they did not follow the District rules or never received them.
