

## **Cub Scouts Pack 902 Uniform Helper**

There are two types of Scout uniforms: the **FIELD UNIFORM (CLASS A)** and the **ACTIVITY UNIFORM (CLASS B)**. **All Cubs are required to wear the Class A Field Uniform to Pack Meetings.**

### **FIELD UNIFORM (CLASS A)**

There are many components to a complete Cub Scout field uniform, but the only components required for Pack 902 members are the appropriate uniform **shirt** and **neckerchief/slide**.

**The Pack provides:** each Cub with the neckerchief appropriate for their Rank, and a standard BSA slide that they can use throughout their entire career in scouting. Neckerchiefs are color-coded based on the Den (age/grade) you are in. Cubs may use any slide they wish, and Dens are encouraged to make their own slides.

**Each Cub is responsible for:** obtaining their uniform shirt. Lions, Tigers, Wolves and Bears wear the dark blue Cub uniform shirt. Webelos and Arrow Of Light Scouts have the option to wear the dark blue Cub uniform shirt, or the khaki Scouts BSA uniform shirt. A new blue uniform shirt should cost approximately \$25-30 depending on sleeve length. A new khaki uniform shirt should cost approximately \$30-45 depending on material style and sleeve length.

**You are also responsible for:** obtaining the required uniform patches and placing them in the correct location.

Official uniform insignia and placement for Cub Scout uniforms can be found at:

The patches you will need to get started are:

- Del-Mar-Va Council patch (approx. \$5)
- Purple World Scouting Crest patch (approx. \$3)
- Pack 902 Unit Numerals
  - You may buy individual [9], [0], [2] patches (approx. \$1.49 each) at a Scout store, or you may purchase a custom single [902] patch from the Pack for \$6 (red version only).

Cubs should also purchase the Cub Scout handbook for the rank they are working towards completing (same as the den which they are a member). The handbooks are \$16.99, and there are e-versions of the handbooks available for some devices.

Uniforms, patches, and the handbooks can all be purchased at the Del-Mar-Va Council Scout Shop, located at Akridge Scout Reservation, 1910 Baden Powell Way, Dover, DE, 19904. (302-622-9120). They can also be reached for questions via e-mail at: [scoutshop@dmvc.org](mailto:scoutshop@dmvc.org) You can also order any scouting uniforms or supplies from the BSA website at: <https://www.scoutshop.org/>

### **OPTIONAL UNIFORM ITEMS**

Cubs may optionally purchase the hat appropriate for their Rank (approx. \$20). They can also optionally purchase a Cub Scout belt (approx. \$11).

Official Scout socks and pants are not required. Remember, the purpose of a uniform is for all members to have a uniform appearance, so each Den should strive to wear the same types/color of pants. Most Pack 902 Cubs wear blue jeans with their uniform shirts.

### **ACTIVITY UNIFORM (CLASS B)**

Activity uniforms should be worn to more active events (Cub-Olympics, hikes, campouts, service projects, etc.). At the beginning of each season (October), the Pack will supply each scout with a Pack 902 Class B t-shirt. However, any t-shirt from a Scouting event, such as day camp, summer camp, etc., may also be worn as a Class B uniform shirt. Additional Pack Class B t-shirts are available for adults, siblings etc. for \$15.00 each.
